

Yoke is easy

Key of C

Rebecca Beese

Verse 1:

Heavenly father You are always there
You are strong, trustworthy and kind
Giver of love, joy, patience and strength
In moments of weakness I can feel You're there
Lifting my head and filling my heart
Guiding my steps, leading me on and on

Chorus:

Your yoke is easy and Your burden light
I pass through death into eternal life
Taking up my cross to follow You
Though the road is narrow and the gate is small
I choose to find it and give my all
Taking up my cross to follow You

Verse 2:

Holy Spirit You are always there
You are compassionate, tender and wise
Giver of comfort, justice and peace
In my desperation I can feel You're there
Whispering truth into my heart
Pouring oil of gladness, healing and grace

Bridge:

Whatever it takes I'll stay
Whatever might come my way
I place my life in Your hands

Am **C**
Whatever my friends might say

G **Am**
Whatever may stand in my way

F **C** **G**
I place my life in Your hands
