

I'm Coming Back

Key of A

Rebecca Beese

Verse 1:

Bm **D** **A** **E**
I don't know how I ended up here
Bm **D** **A** **E**
Hanging on with all I have
Bm **D** **A** **E**
It seems that all I ever once held dear
Bm **D** **A** **E**
Is slipping through my hands

My broken heart feels as though there's no chance
That it will ever mend again
I'm holding on with everything I have
To one last hope

Pre-Chorus:

Bm **F#m** **A** **E**

Chorus:

F#m **A** **E** **D**
I'm coming back to the place I started from
F#m **A** **E** **D**
I'm drawing from the only place that's left
F#m **A** **E** **D**
I'm calling to the one who always hears
F#m **A** **E** **D**
I'm falling upon my
Bm **F#m** **A** **E**
Rock upon my
Bm **F#m** **A** **E**
Rock

Verse 2:

Bm **D** **A** **E**
I am searching now to find a way
Bm **D** **A** **E**
Out of the place I find I'm in
Bm **D** **A** **E**
All the signs are here I never saw before
Bm **D** **A** **E**
But do I dare to trust again?

Bridge:

F#m **E**
Though I cannot see it now

Bm **F#m**
Though it's shattered all around

F#m **E** **A** **C#**
I'll find a place that feels like home

F#m **E**
Though I've fallen on my knees

Bm **F#m**
Life will fall back into place

F#m **E** **A** **C#**
My heart will once again find peace
