Redemption

Rebecca Beese

Verse 1:

Bm
I once was in dark
      G
But stand now in light
      D   A
Was dead but now I'm alive
      Bm
Was once far away
      G
Now I've been drawn in
   D   A
By Your precious love

   Chorus:
   Bm   G
   I once was bound up so tight by my sin
      D   A
   But You have rescued me
   Bm   G
   My chains are gone and now I'm free to be
   D   A
   Who You've made me to be

Verse 2:
I once was in pain
But You healed my soul
Was stained but now I am clean
I once fell apart
But You've made me whole
I stand firm on my Rock
