

Freeing Me

Rebecca Beese

Key of C

Verse 1:

Am **F** **C G**
I'm walking alone
Am **F** **C G**
On this path by myself
Am **F** **C G**
There's no-one around
Am **F** **C G**
It's dark and I'm scared

Pre-chorus:

Am F C G
But it all changes
Am F C G
With just one touch of Your hand
Am F G C
All reverses
Am F G
With one word from Your mouth

Chorus:

Am F C G
You're what I see when I lift up my eyes
Am F C G
Troubles start fading away into light
Am F C G
The fear in my heart starts to loosen its grip
Am F C G
On me
Am F C G
You are all I see
Am F C G
And it's freeing me

Verse 2:

I was walking alone
On a path by myself
But now You are around
And my soul's filled with peace
