Am C  
Through the wind and driving rain  
G D  
I need to feel you here again  
Am C  
I'm holding on with all I have

Though it's slipping through my hands like sand  
Am C  
Oh hold me  
Am C  
hold me

I'm walking on the broken glass  
Of shattered dreams and fractured past  
Uncertainty of future roads  
Are switching up all that i know  
Oh hold me

G D Am  
I'm lifting up my eyes  
G D Am  
Resting them on the hills

There is no other place,  
Am C  
There is no other place  
G D Am  
That help comes from  
AmCGD

Theres a glimmer left of hope  
That it'll change from ash to gold
